## INSURANCE POLICY & PROCEDURES

- ◆ The Back Alley Chiropractic fully complies with all our insurance contracts. It is not our custom to balance bill amounts not allowed by your insurance policy. It is your responsibility to update us with your current insurance information. **If you fail to notify us of a change in carrier, termination of coverage, and/or exceeded benefits, you will be 100% responsible for payment per your insurance policy's allowable amount.**
- ◆ The Back Alley Chiropractic strives to contract with all local insurance plans. In special cases this may not be possible. Out-of-network coverage often requires a referral or pre-authorization by a Primary Care Physician (PCP). **It is your responsibility to know if a referral or pre-authorization is required to see specialists.** If a referral is required, it is up to you to arrange the submission per your insurance carrier by your PCP. If a referral is not received, you will be 100% responsible for payment.
- ◆ The Back Alley Chiropractic does its best to verify and interpret your benefits and eligibility with regard to chiropractic and therapeutic procedures. Occasionally we are given incorrect information and can make mistakes. You are responsible for balances owed if your Explanation of Benefits (EOB) shows a different amount owed from your verification. **Any questions about balances owed should be directed to your insurance carrier's member services.**
- ◆ According to your insurance carrier, you are responsible for co-pays, deductibles and/or co-insurances. **Co-pays, deductibles and/or co-insurances are fees that cannot be waived or discounted.** You will be responsible for your portion of the bill, which is due at the time of service, unless other arrangements have been requested in advance.
- ◆ If your insurance carrier is to be billed prior to payment collection, once we receive an EOB from your insurance carrier an itemized bill will be sent to you with any balance owed per your insurance plan.
- ◆ Any insurance you may have is an agreement between you and your insurance carrier and you are financially responsible for the payment of any services rendered.
- ◆ According to your insurance carrier, verification of your benefits is not a guarantee of payment and final determination will be made for payment of services **after** a claim is received. The Back Alley is committed to providing the best treatment for our patients. Our professional fees are usual and customary per local state and federal rate tables.
  - I authorize the release of any medical or other information necessary to process my claim. I also request payment of government benefits either to myself or to the party who accepts assignment below.
  - I authorize payment of medical benefits to The Back Alley Chiropractic and its physicians or supplier for services received.

To the best of my ability, the information I have supplied is complete and truthful. **Appointments** 1) We value the time we have set aside to see you. The Back Alley Chiropractic is a multiple provider office, and we must often schedule overlapping appointments according to the service requested and depending on the treatment required. 2) Walk-ins are **always** welcome; however, appointments will be seen first. 3) If you are late for your appointment, we will do our best to accommodate you. 4) We strive to minimize wait time; however, emergencies do occur and will take priority over a scheduled visit. We appreciate your understanding.

**If you have not been seen in our office in 18 months or longer, or if you have a new or different injury, a re-exam will be carried out and charged to you or your insurance carrier.** If you have not been seen in our office in 3 years or longer, you are considered a new patient.

**Self-Pay Patients** 1) We welcome patients whose insurance companies are out-of-network, do not provide chiropractic benefits, or are uninsured. 2) We recommend you keep a copy of our updated fee schedule for your records. All payments are to be paid in full at the time services are rendered. 3) Insurance **cannot** be used when opting for a Prompt Pay Fee service discount.

## FINANCIAL POLICY

## INFORMED CONSENT FOR CHIROPRACTIC TREATMENT

I hereby request and consent to the performance of chiropractic treatment (also known as CMT, chiropractic adjustments or chiropractic manipulative treatment) and any other associated procedures; physical examination, tests, diagnostic x-rays, physiotherapy, physical medicine, physical therapy procedures, etc. on me by the Doctor of Chiropractic named and/or other assistants and/or licensed practitioners.

I understand, as with any health care procedure, that there are certain complications that may arise during CMT. Those complications include but are not limited to: fractures, disc injuries, dislocations, muscle strain, Horner's Syndrome, diaphragmatic paralysis, cervical myelopathy and costovertebral strains and separations. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck leading to or contributing to complications including stroke.

I do not expect the doctor to be able to anticipate all risks and complications and I wish to rely upon the doctor to exercise judgment during the course of the procedure(s) which the doctor feels at the time, based upon facts known, are in my best interest. I have had the opportunity to discuss nature, purpose and risks of chiropractic treatment and other recommended procedures with the doctor and/or with office staff and/or clinic personnel.

I have read, or have had read to me, the above explanation of the CMT. I state that I have been informed and weighed the risks involved in CMT. I have decided that it is in my best interest to receive CMT. I hereby give my consent to that treatment. I intend for this consent to cover the entire course of treatment for my present condition and for any future conditions for which I seek treatment.

I have read and understand the above policies and agree to accept responsibility for any and all payment(s) due as outlined.

### NOTICE OF MEDICARE COVERAGE FOR CHIROPRACTIC CARE

Your Medicare coverage of chiropractic care is limited. It does not pay for all services. It will only pay for your chiropractic adjustment (manipulative treatment) when it meets Medicare's specific rules. There are three categories of Medicare services: 1) non-covered 2) always-covered, and 3) perhaps-covered.

#### NON-COVERED SERVICES

According to existing Medicare law, most of the services in our office are NON-COVERED. Hopefully, the U.S. Congress will change that someday and treat Doctors of Chiropractic like all other doctors. Until then, here is a summary:

#### Examples of Non-Covered Services

##### *All Services Other than Chiropractic Adjustments:*

- Office Visits - to evaluate and manage, re-evaluate, advise, or give counsel regarding your health.
- Physiotherapy - such as massage, traction, electrical stimulation, neuromuscular re-education, etc.
- X-rays, Laboratory, Supplies, Vitamins, etc.

##### *Various Chiropractic Adjustments or Treatments:*

- Non-spinal manipulation to the shoulder, arm, leg, etc.
- Maintenance Care - you are stable and not making any more improvement.
- Wellness Care - to promote better health.

#### ALWAYS-COVERED SERVICES

A Medicare COVERED service is for when you are injured or when you are in pain due to a bad spinal condition. Medicare pays for your rehabilitation as long as you are improving. This phase of care is call "active treatment." It will be shown on your Medicare claim form and payment reports with your service code. For example, "98940-AT."

#### PERHAPS-COVERED SERVICES

Your Chiropractic Adjustment must be clinically needed to correct a problem of the spine, according to Medicare rules. If Medicare determines that your condition is not "Medically Necessary" they will not pay. When we know or believe that your chiropractic adjustment is no longer covered, we will discuss this matter with you. We will also give you a Medicare form known as the Advance Beneficiary Notice (ABN) which will show your financial obligation for continued care.

#### MY FINANCIAL RESPONSIBILITY

I have received the above Medicare information. I understand that I am personally **financially responsible** for all services not covered by Medicare. I am also responsible for applicable annual deductibles or copayments.

#### MY AUTHORIZATION

I authorize the **release** of any medical or other information necessary to process my claims. I also **request** payment of government or private benefits either to myself or to the party who accepts assignment. This is a permanent authorization that I may revoke at any time by written notice.
