INSURANCE POLICY & PROCEDURES

All policies and procedures are available on our website for reference at any time. Office policies and procedures are updated regularly. Your signature below indicates you have read, understand, and agree to the above policy and procedures regarding insurance coverage billing practices.

- ◆ The Back Alley Chiropractic fully complies with all our insurance contracts. It is not our custom to balance bill amounts not allowed by your insurance policy. It is your responsibility to update us with your current insurance information. **If you fail to notify us of a change in carrier, termination of coverage, and/or exceeded benefits, you will be 100% responsible for payment per your insurance policy's allowable amount.**
- ◆ The Back Alley Chiropractic strives to contract with all local insurance plans. In special cases this may not be possible. Out-of-network coverage often requires a referral or pre-authorization by a Primary Care Physician (PCP). **It is your responsibility to know if a referral or pre-authorization is required to see specialists.** If a referral is required, it is up to you to arrange the submission per your insurance carrier by your PCP. If a referral is not received, you will be 100% responsible for payment.
- ◆ The Back Alley Chiropractic does its best to verify and interpret your benefits and eligibility with regard to chiropractic and therapeutic procedures. Occasionally we are given incorrect information and can make mistakes. You are responsible for balances owed if your Explanation of Benefits (EOB) shows a different amount owed from your verification. **Any questions about balances owed should be directed to your insurance carrier's member services.**
- ◆ According to your insurance carrier, you are responsible for co-pays, deductibles and/or co-insurances. **Co-pays, deductibles and/or co-insurances are fees that cannot be waived or discounted.** You will be responsible for your portion of the bill, which is due at the time of service, unless other arrangements have been requested in advance.
- ◆ If your insurance carrier is to be billed prior to payment collection, once we receive an EOB from your insurance carrier an itemized bill will be sent to you with any balance owed per your insurance plan.
- ◆ Any insurance you may have is an agreement between you and your insurance carrier and you are financially responsible for the payment of any services rendered.
- ◆ According to your insurance carrier, verification of your benefits is not a guarantee of payment and final determination will be made for payment of services **after** a claim is received. The Back Alley Chiropractic is committed to providing the best treatment for our patients. Our professional fees are usual and customary per local state and federal rate tables.

INFORMED CONSENT FOR CHIROPRACTIC TREATMENT

I hereby request and consent to the performance of chiropractic treatment (also known as CMT, chiropractic adjustments or chiropractic manipulative treatment) and any other associated procedures; physical examination, tests, diagnostic x-rays, physiotherapy, physical medicine, physical therapy procedures, etc. on me by the Doctor of Chiropractic named and/or other assistants and/or licensed practitioners.

I understand, as with any health care procedure, that there are certain complications that may arise during CMT. Those complications include but are not limited to: fractures, disc injuries, dislocations, muscle strain, Horner's Syndrome, diaphragmatic paralysis, cervical myelopathy and costovertebral strains and separations. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck leading to or contributing to complications including stroke.

I do not expect the doctor to be able to anticipate all risks and complications and I wish to rely upon the doctor to exercise judgment during the course of the procedure(s) which the doctor feels at the time, based upon facts known, are in my best interest. I have had the opportunity to discuss nature, purpose and risks of chiropractic treatment and other recommended procedures with the doctor and/or with office staff and/or clinic personnel.

I have read, or have had read to me, the above explanation of the CMT. I state that I have been informed and weighed the risks involved in CMT. I have decided that it is in my best interest to receive CMT. I hereby give my consent to that treatment. I intend for this consent to cover the entire course of treatment for my present condition and for any future conditions for which I seek treatment.

I have read and understand the above policies and agree to accept responsibility for any and all payment(s) due as outlined.
